#### **A Quick Note From The Writer-Director**

*Hope everyone is doing well since we've finished the production of the film and that you're keeping busy ... I sure miss being on the set, working with all of you. Now I am deep in the midst of postproduction working with Abraham and Rodolfo's team. I have finished reviewing ALL of the footage we shot. It looks wonderful. There is so much to work with. Many choices! Challenging and fun! The postproduction team is working hard on the*

*Trailers, the Web Site and the Press Kit. It's all coming together. Hang tight. We will get there. You will be the first ones to know once everything is ready to be published.*

*I am also putting together a comprehensive investment proposal for potential investors, producers, and distributors.*

*Autumn is busy working on a plan to submit Out Of Focus to major Film Festivals and Markets in North America and Europe. More info to come as we finalize the plan. She will also be contacting you for sound bites from all cast and crew. Sound bites that we will use for our marketing materials.*

*Also, I am in contact with the Post-Production Supervisor for Fox TV Studios in LA who has agreed to be our postproduction consultant. It will definitely help in the final stages of post!!*

**HAVE A GREAT THANKSGIVING! KEEP IN TOUCH!**
